**NOTICE OF REQUEST FOR APPROVAL OF AN  
INTERCONNECTION AGREEMENT AND AMENDMENT  
UNDER THE TELECOMMUNICATIONS ACT OF 1996**

**PLEASE TAKE NOTICE** that on July 24, 2012, Verizon Delaware LLC (“Verizon”) and MCImetro Access Transmission Services LLC (“MCImetro”), (collectively, the “Applicants”) filed a joint application requesting the Public Service Commission (“Commission”) to approve a negotiated original Interconnection Agreement (“ICA”) and a supplemental Amendment No. 1 (“Amendment”) to the ICA. The ICA and Amendment replace the interconnection agreement currently in effect between Verizon and MCImetro.

The pertinent provisions of the ICA and Amendment are:

- Compensation for Reciprocal Compensation at rates specified in the Agreement, subject to the terms of the Amendment to the ICA;
- Unbundled loops – providing MCImetro access to all existing Verizon customers based on the rate methodology specified in the Agreement;

- Customers will retain their telephone numbers when they switch to MCImetro, subject to future Commission determination of a method of interim number portability cost recovery consistent with any final FCC or Commission determination on such funding mechanisms;
- Including MCImetro's customers' primary listings in the same manner as those of Verizon's customers' listings in directories and directory assistance;
- The resale of Verizon telecommunications services for a wholesale discount of 16.0% or 20.0%, depending upon whether MCImetro provides its own operator services; and
- The provision of 911 services to all customers.

Any person who wishes to protest or to comment upon this application must do so in a written document filed with the Commission and served upon the Applicants on or before August 22, 2012. Comments should focus on the criteria for review set forth in 47 U.S.C. § 252(e)(2)(A) and whether the ICA, as amended by the Amendment, is consistent with applicable state law, regulation, or policy. In the absence of any good faith protest, the Commission will allow the ICA and Amendment to become effective on October 21, 2012.
